A handwritten signature in black ink, appearing to read 'Joanne McCulley'.

Certification Scheme Manager

The scope of Fabcor's certification is: Metal assembly and fabrication -- as described in their quality manual, processes and procedures. This certification is in respect of those activities audited on the above date and recorded on the assessment documentation.

Certification has been approved by PQA International's Certification Board and will be revalidated annually by means of further surveillance assessments and related documentation. This certificate has a validity of 3 years from the issue date until re-certification is due, subject to satisfactory annual maintenance assessments, and remains the property of PQA International, in accordance with the terms and conditions.

This certificate is authorized for issue by ASCBE Ltd who have assessed PQA International as a System Assessment Body for compliance with ISO 17021:2006 "Conformity Assessment – Requirements for bodies providing audit and certification of management systems" under a unilateral arrangement with participants as defined within sections 7.7 and 2.10 of ISO 17000:2004. Certificate holders are listed in the International Register of Quality Assessed Organizations: www.irqao.com.
